WORK EXPERIENCE

2015 - 2017

Communication og design assistant at Storyville Records

Responsible for press releases, advertisements, social media, YouTube videos and re-release artwork.

2016

Teaching Assistant at IT-University of Copenhagen

Responsible for guiding groups of students through the process of an interaction design project.

2014

Animator at Discue

Responsible for the production of 2D animations. As the company expanded its market, I animated an explainer video that clearly expressed what Discue offered its new customers.

2014

Freelance animator at GearedApp (UK)

I developed a 'pain-release' 2D instruction animation using illustration as a focus point for the user. Responsible for the production and the creative idea.

Also hired to make illustrations for a sales pitch.
